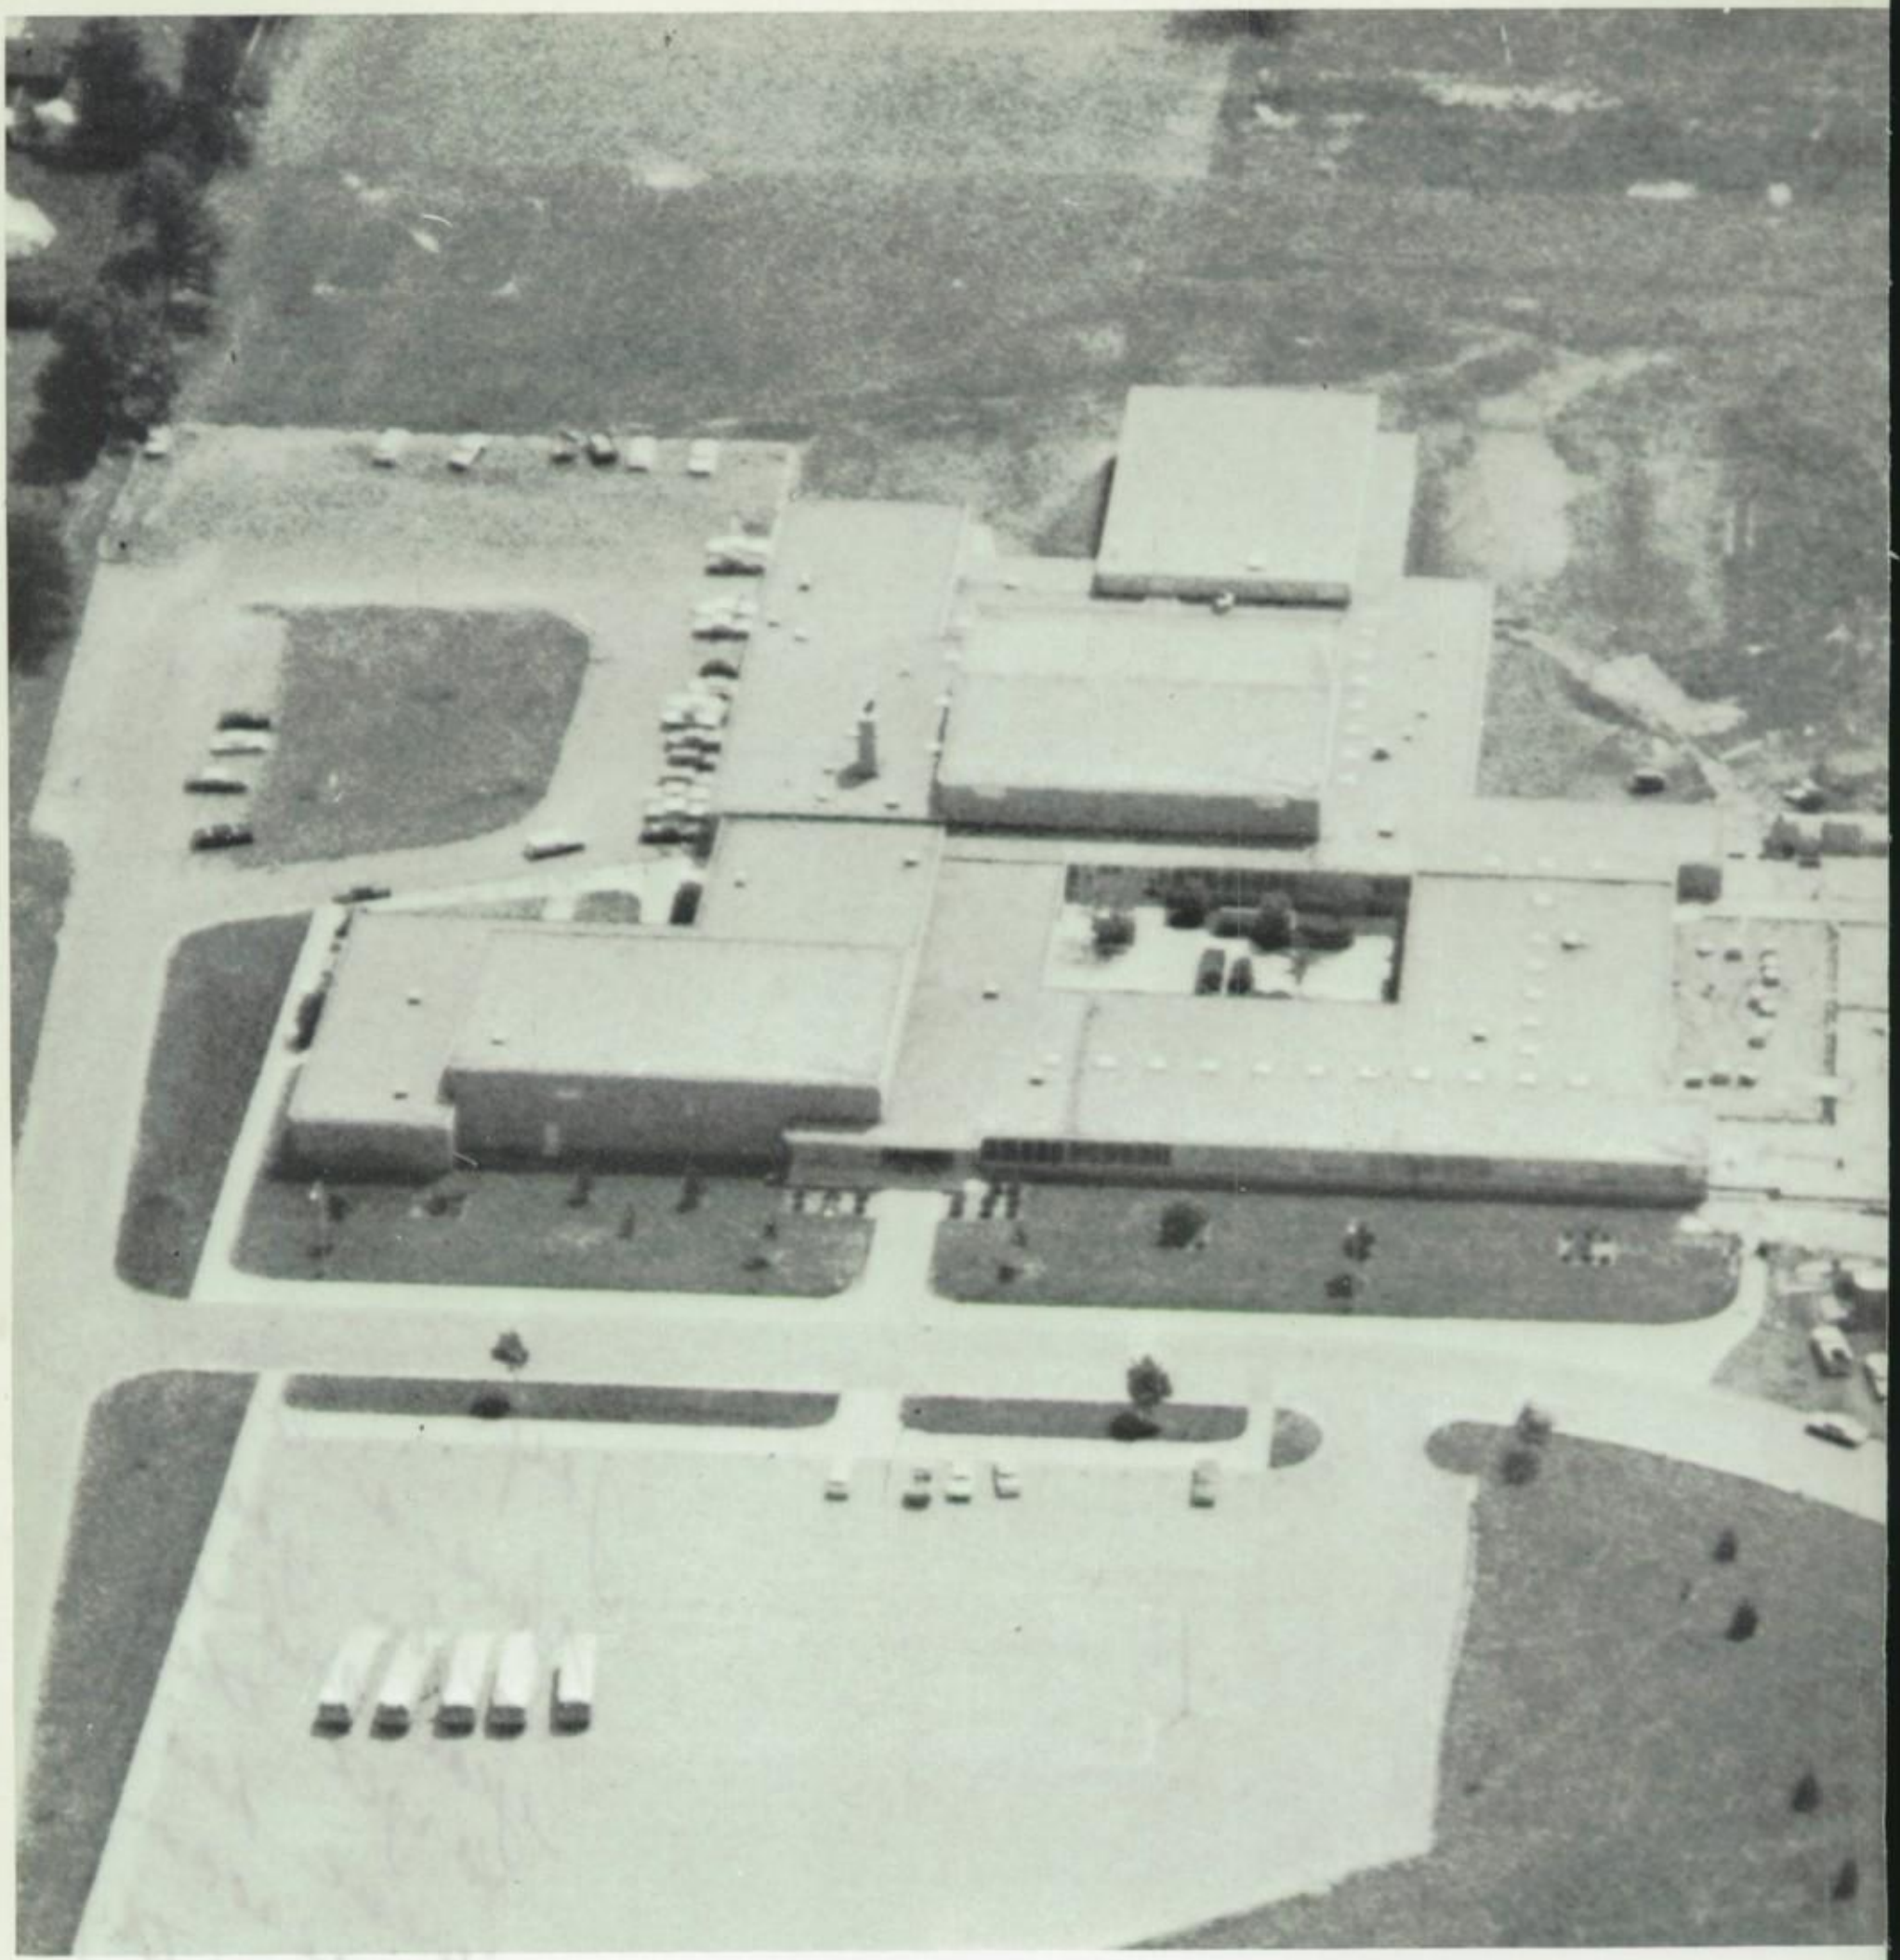
Mason, Michigan



FOREWORD

This 1966 edition of Mason High School's Anchora, in keeping with the times, has been changed in many ways: not only is it fatter, wider, and taller, but, we hope, better. We have not chosen a main theme, but have filled its pages with gentle philosophy and humor. It is hoped that in the years to come the pictures and comments in this book will fill your hearts with reminiscent smiles and perhaps a bit of nostalgia.

"Thou wretched, rash, intruding, fool, farewell!
I took thee for thy better."

Activities

Nothing's the Matter With

"In the army? Oh yes sir, he'll be *glad* to go!"

"You can take a *whole* aspirin, Albert; you're 33 years old."

Bye, Bye,

"You're just like your father—you'd marry anything!"

"I'm tense!"

Where is Mason? Off broadway of course! In the biggest dramatic production ever attempted, Mason High was a fantastic success. Under the combined direction of Mrs. Jo Oesterle and Mr. Warren Emerick were over 100 students. The cast played to a sellout crowd every night of the performance.

the Kids Today

"How wonderful to be a woman and go from boys to men."

"Doris, do you have a cigarette? I'm all out."

Birdie

"Are you absolutely sure you're going to give up the Conrad scream?"

"Put on a happy face!"

"All right. Once more on 'Gotta Lotta Livin' and put some life in it!"

"Slap on a happy grin."

"One boy to joke with, have coke with. That's the way it should be."

"Ya' Gotta

"He was born in West Virginy." "He was born in Indochina."

"Kiss—Bliss? . . . It rhymes! . . ."

"We love you, Conrad. Oh yes, we do."

"Did they really get pinned? I was hoping they would."

Be Sincere!"

"Goin' steady, steady for good."

"He's a fine, upstanding, healthy, normal American boy."

"History is the sum total of things that could have been avoided."

"Houses are built to live in, not to look at."

The wheels of progress are not turned by cranks.

"Be reasonable; do it my way."

"Science is the labor and handicraft of the mind."

The social hours swift-winged do fly.

Variety and Challenge

Prices and fashions went thigh high this year.

Cookery has become an art.

"For sure, no minutes bring more content than those in pleasing, useful study spent."

"When my cue comes, call me and I will answer."

And there did seem in them a kind of joy.

Oh that this too, too solid flesh would melt.

"Pleasure is a freedom-song."

"Our ears thirst for the sound of knowledge."

"Youths seek pleasure and are judged and rebuked. Do not rebuke them; have them seek."

Men love to wonder, and that is the seed of science.

Industry and Enthusiasm Result in Best Track Team in Years

To run or not to run, that is the question.

STEVE STRICKLAND dashes to a new school record, 10.3 seconds.

It's the only way to fly.

"Most Valuable" TED FANSON high jumps a record 5 feet, 8 inches.

STEVE BAKUS sets shotput record—47 feet 9½ inches.

GERHARD proves to be a great asset to the team.

There has to be an easier way to keep in shape.

WERNER PETERS gives the broadjump everything he has.

Mason's track team finished 6th in the Capital Circuit and 5th in the Jackson Northwest Invitational Relays. During the season six new records were set, including Ted Fanson's in the 880-Yard-Run at 2:04.9. Dale Aldrich set the 440-Yard-Run record at 53.9 seconds. The Mile-Relay Team, composed of Dale Aldrich, Arnold Austin, Ted Fanson, Ron Schneeberger clocked 3:43.6.

The Secret of Success

Never let success hide its emptiness from you; achievement, its nothingness; toil, its desolation. And so keep alive the incentive to push on further, that pain in the soul which drives us beyond ourselves.
Whither? That I don't know. That I don't ask to know.

Hammarskjöld

Contrary to popular belief, the most treasured moments of the senior year are not the momentous occasions: baccalaureate, commencement, the prom or trip, rather the hours of slaving over the yearbook, doing committee work, shopping for supplies for this activity or that. Thus the happiest moments are the tidbits that make each day different from all the others.

"A Mason High School Booster Since 1859"

This old-timer picture was taken thirteen years ago. Can you identify the subjects?

Yester Years

Four years ago: M. Chandler Nauts arrived as principal of Mason High School.

Guest Editorial

"If mankind profits from past mistakes, what a honey of a future is coming up!"

LARMOUR

BARBS & PRAISE

"When Joe Louis was asked why he hadn't been more active in the civil rights movement, he replied, 'Some people do it by shouting, some march, some give lots of money. I do it my way—behaving. All ways help.' "

Dick Brown

THE MELTING POT

"The great tie that binds us to dogs is not their fidelity or their charm or anything else but the fact that they are not critical of us."

Hayden Palmer

Editorial Comments

"Our future as a nation is going to depend not so much on what happens in outer space as on what happens in inner space—the space between our ears."

"We are now at the point where we must educate people in what nobody knew yesterday and prepare in our schools for what no one knows yet, but what some people **must** know tomorrow."

Down by the Sycamore

Thoughts for the Week

"The worst moment for an atheist is when he feels grateful and has no one to thank."

Farewell

I am being driven forward
Into an unknown land.
Still the question:
Shall I ever get there?
There where life resounds,
A clear pure note
In the silence.
